

MATRIX

TYPES OF MATRIXES

M25\$

MATRIX = 25\$

M75\$

MATRIX = 25\$ + 75\$ = 100\$

M125\$

MATRIX = 25\$ + 75\$ + 125\$ = 225\$

M250\$

MATRIX = 25\$ + 75\$ + 125\$ + 250\$ = 475\$

M500\$

MATRIX = 25\$ + 75\$ + 125\$ + 250\$ + 500\$ = 975\$

M1000\$

MATRIX = 25\$ + 75\$ + 125\$ + 250\$ + 500\$ + 1000\$ = 1975\$

WHAT DO I BUY?

By purchasing a Matrix plan, the User buys educational product. If he buys time-limited matrixes, he will conclude a contract for the lease of mining machine. Due to that, he obtains profits from mining cryptocurrencies.

1	3	750	5%	37,5
TOTAL	88 572	22 089 000	5%	1 107 150

OUR PRODUCTS

Instructions (available from M25)

Basic Level - Fundamental issues related to the future markets. Presentation of the financial markets, available instruments, types of analysis used to search for potential reverse positions on the market.

Intermediate Level - A closer look at technical analysis and techniques used in it.

Advanced Level - Advanced technical analysis techniques and deeper look into macroeconomic issues.

Inside Bar (available from M75)

A tool to locate the „Inside Bar“ formation on the MT4 platform. The indicator itself finds a situation on the chart where the „Inside Bar“ formation was formed, and then marks it with a rectangle.

Auto Stop Loss (available from M125)

Intelligent, automated MT4 machine which allows you to automatically move a stop-loss order accordingly to the given guidelines.

Signals (available from M250)

1-10 signals per week send to your email from Monday to Friday

Practical Webinars (available from M500)

Weekly webinars with live commentary inside live market and trading with real capital. Practical usage of techniques earlier discussed, Inside Instructions and/or Live Webinars.
